Dear Folks,

I am well, happy and safe and I hope you all are the same.

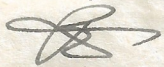

I haven't heard from Vince yet although I wrote to him quite a while ago. However, I expect a letter from him soon. I also expect Mr. Morgan's letter any day now.

I have a lot of letters to write in the next couple of days because I have to get a lot of people on the beam again. They haven't been writing or their letters were lost, one or the other.

I haven't received any packages yet but I will. If you ever need a letter from me to send a package, you write the letter yourself and put it in one of my old envelopes that I address

to you. Put anything you want to
in the package and send it and I'll
find good use for it no matter what
it is.

I hate just about all I can
say now so I'll sign off.

Love & Kisses,

P.S. Don't forget to tell me where
those people live.
